

# SCHEDULE 2 — COOKIE POLICY

*Last updated: 5 July 2026*

This Cookie Policy forms Schedule 2 to the Spotlight Terms and Conditions of Use and explains how Spotlight uses cookies on [www.myspotlight.lu](http://www.myspotlight.lu).

## 1. What Are Cookies?

Cookies are small text files placed on your device when you visit a website, allowing it to remember information about your visit.

## 2. Cookies We Currently Use

Spotlight currently uses only strictly necessary (first-party) cookies, required for the Platform's basic technical functioning (for example, keeping you logged in where an account/login feature is used, or remembering your cookie notice preference). We do not currently use analytics, advertising or social media tracking cookies.

### Cookie table

- Purpose: essential site functioning / keeping you logged in, where applicable — Category: Strictly necessary — Provider: Spotlight (first-party) — Duration: session or up to 12 months.
- Purpose: remembering that you have seen the cookie notice — Category: Strictly necessary — Provider: Spotlight (first-party) — Duration: 12 months.

Because we only use strictly necessary cookies, no cookie consent (opt-in) is required for these under the ePrivacy rules as interpreted by the CNPD, and no cookie consent banner is currently displayed on the Platform.

## 3. If This Changes

If Spotlight introduces analytics, marketing, or other non-essential cookies in the future (for example, a website analytics tool), we will update this Cookie Policy accordingly and implement a compliant cookie consent banner allowing you to accept or decline such cookies before they are set.

## 4. Managing Cookies via Your Browser

You can also control cookies through your browser settings, including viewing, deleting, or blocking cookies. Please note that blocking strictly necessary cookies may affect the Platform's functionality. Guidance for common browsers:

Spotlight does not control these cookies.
